Republican Governors Association,
Appellant,

v.

**Alaska Public Offices Commission
and Walker Mallott for Alaska,**
Appellees.

Supreme Court No. **S-17768**

Order

Date of Order: **8/18/2020**

Trial Court Case No. **3AN-18-10129CI**

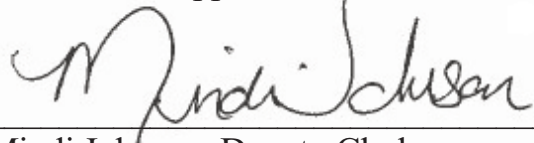

Having considered Alaska Public Offices Commission's (APOC) motion to supplement the record with a 73 page appendix consisting of the agency complaint filed by the organization known as Walker Mallot for Alaska against the organization known as Families for Alaska's Future – Dunleavy (FFAF), and Republican Governors Association's (RGA) opposition thereto,

IT IS ORDERED that the motion is **GRANTED** as follows: The record for appeal shall be supplemented with the 73-page appendix for use solely with respect to issues raised for our independent review, without deference to the superior court's decision, regarding APOC's consolidated decision on the agency complaints against FFAF and RGA; the material may not be cited in connection with issues raised, if any, about the superior court's decision on appeal from APOC's consolidated decision. If relevant to any issues raised about the superior court's decision on appeal, the existence of the material may be cited as within our discretion to take judicial notice of the fact of its existence and that it underlaid APOC's consolidated hearing of the two complaints; but no citations may be made to suggest judicial notice of information contained in the material.
